Treasurer's Report: Brought in a little over \$4,000 in November, mostly from the wreath fundraiser. Expenses included things for the Silver Bells Parade and a donut party for the class that sold the most wreaths.

Band Director Update: Mr. Emerson was very happy with the Silver Bells Parade and the holiday concert. February 8th is when he will be inviting the 8th grade parents in to talk about Band Camp. We have one student that made the All-State band. Jazz band starts next Tuesday. Lori asked that Mr. Emerson not mention how much band camp costs until it can be put on the website. He could go ahead and mention the option for scholarships though. Mr. Emerson said that he has been contacted by someone interested in buying the old printer so the Boosters will not have to pay for a new one!

Board of Director Updates:

President, Dennis Marvin: Dennis is working on the information to pass on to the incoming board.

Treasurer, Lori Underhill: Sent out the only 1099 that needed to go out

Key dates going forward:

02/08- Band Boosters Meeting, 03/08- Band Boosters Meeting, 03/15- Band Aid

Fundraising Activities: Lori Underhill said that we have raised \$7474.36 this year. \$4,079.26 from wreath sales, \$1,047.81 from Spirit Wear, \$1,207.50 from Pillow/Uniform Sales, \$991.48 from donations and \$148.31 from Amazon Smiles.

Old Uniform Sales: With the feelers that were put out about redoing the old uniforms, several people responded. Jenn said that she would be happy to help organize and is happy to do anything other than sewing.

Band Aid: This is still a very fluid situation due to unknown COVID precautions needed. We will continue to assess and make decisions accordingly.

Shadow Board: The intention is to have people lined up to fill the positions being vacated by the board members that will be leaving the end of the school year. The Orientation meeting with those interested was last week (January 6) and went very well. Nominations will officially be called during the April meeting and votes taken at the annual meeting in May.
