## To be completed by Parent/Guardian:

List reasons you are requesting scholarship assistance, include any factors or special circumstances that the scholarship committee might find important or relevant concerning this scholarship. More information is better than less.

## To be completed by student:

Telling us why you would like to receive this scholarship.

Scholarships are only available to qualifying students who are enrolled and will be participating in the marching band program at Holt High School for the 2020-21 school year.

Scholarship awards do not exceed 50% of the Marching Band Camp fee. Scholarship funds are distributed to qualified applicants based on need and will vary each year depending on the total qualified applicants and the amount of funds available in the approved budget.

Scholarships typically range from \$25.00 - \$65.00 and are adjusted yearly based on the cost of Marching Band Camp and availability of budgeted funds.

Scholarships do not include shoes or any specialty items. HHS Band Boosters, in conjunction with the Director of Bands, coordinate an exchange program for shoes and some specialty items. All marching band students will need to purchase a new summer uniform shirt (a black shirt will replace the current white uniform shirt) with the cost being included in the band camp total fee (scholarship awards do not exceed 50% of the Marching Band Camp fee).

I understand by accepting band camp scholarship funds that I will be expected to participate in all marching band rehearsals and performances.

In consideration of a scholarship, it is requested that the parent/guardian volunteers for 2 events to benefit the Holt High School Band Program during the school year that the scholarship is awarded. Please join the HOLT HIGH SCHOOL BAND BOOSTERS group on Facebook for volunteer opportunities.
